SUMMER INTERNSHIPS (2025 Extended Summer Term)

Students completing summer internships must preregister for a placeholder course in the appropriate term (INDP-201) based upon the internship placement if the dates fall within one of the above terms. Internships whose dates extend beyond these terms outlined above, as documented on individualized instruction forms, will be placed in the extended summer term (2025SUN). The link to the internship application form is located on the website under Students/Academic Services/Academic Forms-Students. The last day for submission of summer internship paperwork is Monday, July 7, 2024. Students are not permitted to begin internship hours before the internship has been officially approved.
