2025-2026 Verification Worksheet

Dependent Student - Tracking Group V1

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, the Financial Aid Office is required to confirm all information you and your parents reported on your FAFSA. To verify that you provided correct information, a financial aid administrator will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete, sign, and submit this worksheet, including any required documents. The Financial Aid Office may ask for additional information. To avoid delays in processing your financial aid, please contact the Financial Aid Office as soon as possible with any questions.

WARNING: VERIFICATION RESULTS MAY AFFECT YOUR FINANCIAL AID

As a result, the parent should not include any unborn children in the family size.
