

FALL 2025

STUDENT PREREGISTRATION INFORMATION

The Fall 2025 course schedule and supporting materials are available online via the Wesleyan homepage under Students/Academic Services/Course Schedule Information and linked within Self-Service. You are also encouraged to watch the Self-Service tutorial video available on the website under Students/Academic Services/Self-Service prior to preregistration to familiarize yourself with the process and carefully read the Self-Service Preregistration Instructions.

Preregistration will proceed according to the schedule below. Students are responsible for entering their preferred schedule via Self-Service following the online Self-Service instructions posted in the preregistration material. Your advisor may approve your schedule only **during the designated time period listed below**. Please refer to the preregistration email you will receive indicating your earned credit hour total and academic advisor.

Advisor Appointments

Contact your academic advisor in person or via email to inquire about the process for scheduling an advising appointment. Using the appropriate advising checksheet (available on the Wesleyan website under Students/Academic Services/Major Checksheets and listed by catalog year), plan a tentative schedule for the fall 2025 semester prior to your appointment time. You can also use the unofficial degree audit option in Self-Service. Once you and your advisor have agreed upon your proposed schedule and you have entered the schedule through your Self-Service account, your advisor may then access and approve the course schedule during the corresponding time below.

Academic Services Support

If you have advising or scheduling questions during preregistration, please feel free to email registrar@wwc.edu or stop in the Academic Services Office, 1st Floor of the Lynch-Raine Administration Building.
