

WV State reporting of PRAXIS II Passage Rates

Licensure and Certification Exam Information

The State of WV requires institutions to report in the **Takers column the total number of program graduates at their institution who took the licensure/certification exam in that field during the July 1 to June 30 time period** immediately preceding the reporting year. **In fall 2018, institutions would report on graduates who took exams from July 1, 2017 to June 30, 2018.** If it is not possible to provide the data for this time period for an exam, please provide the most recent full year of exam data available and notify Mark Stotler at mark.stotler@wvhepc.edu of the date range for the exam data you have provided. Exam takers should reflect the total number of graduates who took the exam during the time period. The Total Test Attempts column should reflect where available the total number of test attempts by the students from the test takers column during the same time period. If that information is not available, please enter NA. Exam passers should reflect the number of graduates, out of the exam takers, who passed the exam during the same time period.

Undergraduates:

Teacher Ed Praxis II (Includes CST and PLT) # Takers 24 Total Test Attempts 58 # Passers 24

Graduates:

Teacher Ed Praxis II (Includes CST and PLT) # Takers 9 Total Test Attempts 16 # Passers 9

Narrative:

58 attempts includes six required exams for each of the elementary candidates and two exams for each of the secondary candidates.
