➤ Students cannot receive credit for MATH 115 – Elementary Statistics if they have already completed PSYC 230.

➤ Except in specifically approved majors, a maximum of 52 hours in an academic discipline may count toward graduation. Three hours over the limit may count to accommodate an internship in the discipline.

➤ Only six hours of any minor may overlap with the required credit hours of a student's chosen major. The overlap constraint is not applicable to courses that majors or minors MUST take in others departments.

*Enter NA (not applicable) if waived upon admission or if completing the honors program.

➤ Only six hours of any minor may overlap with the required credit hours of a student's chosen major.
