

WEST VIRGINIA WESLEYAN COLLEGE CONNECTIONS GENERAL EDUCATION CURRICULUM

Rationale: The general education curriculum is designed to assure that each graduate of West Virginia Wesleyan College has achieved a broad educational foundation that includes meaningful engagement with the principal areas of human inquiry. The knowledge and skills derived from this broad-based education are the mark of an educated person, and help prepare the student for the demands of life after graduation. Students select courses from a range of choices which satisfy requirements of the general education program. Students are encouraged to satisfy some requirements through upper-division courses (300-level). Students pursuing an Honors Degree should refer to requirements of the Honors Program.

GENERAL EDUCATION CONNECTIONS CURRICULUM: West Virginia Wesleyan College seeks to fulfill its mission of preparing students for their lives and vocations through a rich array of curricular and co-curricular offerings. Each candidate for graduation is required to satisfy the following requirements; no single course may satisfy more than one general education requirement. The General Education Program connects students to the four main goals of the institution's Mission Statement that aspires to graduate broadly educated men and women who:

- Think critically and creatively,
- Communicate effectively,
- Act responsibly, and
- Demonstrate their local and world citizenship through service.

Before graduating each candidate is required to satisfy the following distribution requirements; no single course may satisfy more than one general education requirement.
